

COMMUNITY FORKLIFT

2022 COMMUNITY BUILDING BLOCKS PROGRAM FACTSHEET

Community Forklift provides free materials to community groups for local projects through our Community Building Blocks Program (CBB). Here's an overview of what we accomplished in 2022.

CKC Farming in downtown Silver Spring, MD, preserves farming knowledge and techniques and passes them along to future generations. Our Community Building Blocks program provided them with a free sink and low-cost refrigerator in 2022.

Plus housewares, vintage, and other miscellaneous items

“Families tell me to thank you so much for bringing this to our school! They really appreciate it.”

— Gesireth Mariscal, Cherokee Lane Elementary School’s Community School Coordinator. The school revamped its Little Free Library and Food Pantry using free materials supplied through Community Forklift’s Community Building Blocks program.
